

MISSION STATEMENT

ANIMAL RESCUE TEAM

Animal Rescue Team Inc. exists to support and provide quality animal rescue, treatment, rehabilitation and release to ALL sick, injured, orphaned and displaced wildlife in accordance with current standards in the field.

Educating the public about the needs of at risk wildlife, and the needs of animal care and protection.

Promoting efficient use of community animal/wildlife support resources by cooperating with other organizations and individuals in order to fulfill our mission.

Maintaining integrity, openness, respect, and cooperation within our organization and in all of our outreach efforts.

Animal Abuse: ART is dedicated to working with public authorities to protect and care for injured and abused animals. This includes providing foster care and assisting with placement of victims of abuse.

Wiley in rehabilitation after hip surgery.

Dr. Sheri MacVeigh, DVM, owner of Solvang Veterinary Hospital and consultant for A.R.T. has developed an expertise in wildlife veterinary care in addition to her private practice.

WILDLIFE

HISTORY OF SANTA YNEZ DEER FACILITY

JULIA DI SIENO, EXECUTIVE DIRECTOR

Animal Rescue Team, Inc. began rescuing and rehabilitating injured and orphaned wildlife over 22 years ago, under the umbrella of Santa Barbara Wildlife Care Network.

Rescued Screech Owl.

Fawns feeding at bottle bar.

Ring Tail Cat.

Rescued Bobcats.

Ms. Di Sieno has maintained and operated a rehabilitation facility for injured and orphaned fawns, and deer, along with numerous other large animals, for 12 years. During this period she raised over 150 orphaned fawns.

Animal Rescue Team, Inc has mainly specialized in orphaned/fawns, bobcats, foxes, coyotes, and numerous other small mammals. Along with educating the public about wildlife co-existence, she has most recently started working with abused domestic animals.

No animal is ever refused...
